Submerge yourself in the realm of LOEWE...

An association of traditional establishments: the Mallorcan castle hotel Son Vida and the Madrid-based purveyor of luxury articles LOEWE request the honour of your visit to the LOEWE suite! The elegant interior design bears the unmistakable hallmark of no lesser personage than the star architect Javier Carvajal: natural stone flooring, jacaranda-style wood and furnishings made from stainless steel-framed black glass conspire to lend the suit its distinctive look. Two more classic elements are a welcome addition to this traditional ensemble: a butler service and a Rolls Royce. So submerge yourself in the luxurious realm of LOEWE with:

Two nights in the LOEWE Suite including butler service

Gourmet 7-course set menu in the elegant bodega-style restaurant Es Ví (not including beverages)

Breakfast buffet in the restaurant Es Castell with coffee menu and fresh fruit juices

Two green fees per person for the hotel golf courses Son Vida and Son Muntaner as well as free use of the driving range (exclusive range balls); optionally, spa treatments worth €110 per person at our Castillo Beauty Spa

Transfer to and from the airport in the ultimate classic car: the Rolls Royce

Newspapers and fresh fruit

Sweet and sparkling reception with Moët & Chandon and strawberries

What's more, you'll also have access to our spa, with two outdoor pools, a fitness area with an indoor pool, jacuzzi, sauna and steam bath as well as a free shuttle service to the Son Vida and Son Muntaner golf courses.
